

2026-2027 CLASSES

In an effort to streamline schedules for parents with multiple children, GFCC will offer a choice of two schedules for *Tots, 2s and 3s classes: a regular and an extended day schedule.

The extended day schedule will offer an extra 45 minutes of class time that will include lunch (brought from home) and extra free-play. Extended day schedules are billed at a different tuition rate than regular schedules and therefore cannot be added by the day or the week.
